Annex B Item 08 - Electronic journal and hard-copy rendering

OPIS + POS local Annex B evidence package; scope is items 03-14 only.

Status: BLOCKED
The local e-journal is rendered from the bounded source contract; receipt completeness depends on finalized fiscal source records.

Boundary

The current local scope contains a reading record but no finalized fiscal document records. This is a truthful local hard-copy rendering, not a claim that a receipt-complete BIR journal sample exists.
